Application Number 338605

You were recently sent a request for additional information needed by the Program Integrity Assurance (PIA) team to review your Form 471 Application to ensure that it is in compliance with the rules of the federal universal service program. Your response was incomplete. The information still needed to complete the review is listed below.

For **FRN 968291**, the documentation provided in the Item 21 Attachments is not sufficient to determine the eligibility of your request. The documentation does not sufficiently describe the products and services being requested, so we cannot determine the eligibility of your request.

Please provide more detailed documentation, such as the portion of the bill that identifies the actual products and services being delivered for the monthly recurring. If the bill you receive does not identify the specific products and services being delivered, you will need to contact your vendor and request such documentation. The vendor should be able to provide you with a detailed bill identifying the specific products and services being provided.

Please provide more detailed documentation, such as the portion of the bill that identifies the actual products and services being delivered. If the bill you receive does not identify the specific products and services being delivered, you will need to contact your vendor and request such documentation. The vendor should be able to provide you with a detailed bill identifying the specific products and services being provided, which is sometimes called a C.R.I.S. Report.

Any documentation provided should clearly identify any ineligible charges that were cost allocated out of your request. If you are unable to justify the charges requested on your Form 471, the request may be reduced or denied.

Please fax or e-mail the requested information to my attention. If you have any questions please feel free to contact me.

It is important that we receive all of the information requested so PLA can complete its review. **If you are unable to provide the requested information because your school has closed or will shortly close for summer break, please let me know when you will be available to respond to these questions. Failure to do so may result in a reduction or denial of funding.**

You are being given an additional seven calendar days to respond. If we do not receive the requested information within seven calendar days, your application will be reviewed using the information currently on file.

Thank you for cooperation and continued support of the Universal Service Program.

Sincerely,
